Silver Oaks Schools & College observes two separate time schedules for the students: the summer goes from **Mar 1-Oct 31** and the winter runs from **Nov 1-Feb 28**. PULSE SERVICE CENTER

We are pleased to announce the launch of Pulse Service Center (PSC), which is another exciting initiative to facilitate our valued Oakian parents.

★ 24/7 Access via PSC

With any academic or administrative issues, parents should contact their respective campus leadership, which is to be their primary contact. If parents are unable to reach the campus, they can contact the PSC Service Managers, who will ensure that the issue is logged and resolved efficiently. Further, they will revert, with the action taken by the school.

★ Parents Support for Remedial Management

If a pupil is absent from school for more than two days, targeted remedial management will be required, in order to ensure that the pupil does not miss key concepts. The PSC team will reach parents and provide guidance on how to make use of the remedial management academic content provided by the school.

ACADEMIC & DISCIPLINE POLICIES

THE ACADEMIC YEAR 2026-27 (Mandatory Conditions For Educating Your Child)

Silver Oaks Schools & Colleges

www.silveroaks.edu.pk

01. ADMISSION POLICY:

Passes the admission test is the only criteria to determine the pupil entry point. Pass mark for every level is different. Admission will not be granted on the basis of parental undertaking or reference. Acceptance of a pupil (new Admission to school) or Admission of Existing Pupils in a New Grade (in the new Academic Year) shall be **CONDITIONAL UPON ACCEPTING THE POLICIES, TERMS & CONDITIONS OF EDUCATING YOUR CHILD AT THIS SCHOOL & CONSTITUTES A CONTRACTUAL UNDERTAKING.**

IMPORTANT POLICIES TO GOVERN SCHOOL DISCIPLINE:

02. PUNCTUALITY:

Policy on Attendance:

1. Less than 80% Attendance: If a pupil is absent from school for more than 20% of the academic year i.e. less than 80% attendance (excluding hospitalization for a medical emergency), the pupil will not be promoted to the next grade, as he/she has not completed the academic year's learning outcomes.
2. Less than 66% Attendance: If a pupil has less than 66% attendance (excluding hospitalization for a medical emergency), the pupil will be deregistered at the end of the academic year.
3. Non-Regular Private Admission: If a pupil has less than 80% attendance in Board Classes, he/she cannot be considered a regular student (FBIS/E/CIE).

Late Arrivals:

School starts at 7:30 am (Summer). All pupils are expected to arrive on time to ensure a smooth and uninterrupted learning environment.

1. Late Arrival up to 7:40 am: Pupils arriving between 7:30 a.m. and 7:40 a.m. will be allowed to proceed directly to class. However, a late arrival note will be sent through the school diary to inform parents of the late arrival.
2. Three Late Arrival Notes: If a pupil receives three late arrival notes in the school diary, an SPTC (Special Parent-Teacher Conference) will be conducted to address the issue of repeated late arrival and reinforce the importance of punctuality.
3. Late Arrival after 7:40 am: Pupils arriving after 7:40 a.m. after the 3rd time note and SPTC will not be allowed to attend the first period and will join the class from the second period.
4. Late arrival after 3 instances, SPTC and missing the 1st period: When this happens, the pupil will be sent back home, and a deregistration warning letter will be issued to the parent by arranging the SPTC on the same day. If a pupil still arrives late after these 6 instances, the pupil will be deregistered at the month-end through Dean of Students. Your attention is specially drawn to the fact that a pupil **NOT APPEARING IN FULL & PROPER UNIFORM** will be treated as a **LATE ARRIVAL** and late arrival policy given herein will be applied. This policy aims to minimize disruption to the learning environment and ensure that pupils do not miss

valuable instructional time due to late arrival.

Policy on Early Collection:

Early collection of pupils is only permitted in exceptional and unavoidable circumstances as per the following process:

1. **Written Application:** An application from either parent, clearly stating the reason for early collection, must be submitted in writing to the Campus Head. Acceptable reasons include a close family bereavement or a medical emergency.
2. **Collection by Drivers:** Early collection by van drivers is not permitted. In case of a genuine emergency, a parent or family guardian must personally come to the school and provide the reasons why early collection is unavoidable. Van drivers will not dictate or influence pupil attendance.
3. **Time of Collection:** When early collection is unavoidable and approved, the pupil will only be called from the class during a natural period break to avoid disruption to the class and the learning process.
4. **Repeated Early Collection:** If a pupil is collected earlier than school hours more than once a month, an SPTC will be called to discuss the loss that has been caused in learning outcomes on account of early collection.
5. **For habitual early collection (more than three times a month), an SLC will be issued at month end through Dean of Students.**

Policy on Visitors:

1. **Campus Head Meeting by Appointment Only:** Parents can meet Campus Head & SMs by appointment **ONLY** and after pupil teaching hours or on Saturdays. If an SM or Campus Head leaves the classroom observation, it impacts the whole class and is therefore not viable.
2. **Under NO circumstances will a parent be stopped at the gate or not allowed to come into the school - be it an existing parent or a new admission parent.** Guards will follow the security check protocols and send them to the Administrator's Office.
3. **If new admission or existing parents have a need for a meeting, the administrator will communicate with them and explain the entire process and answer queries. If they still wish to meet the Campus Head/SM, it will be scheduled by the administrator for after school academic hours or working Saturday.**

03. SCHOOL TIMING:

Parents/Guardians are obliged to adhere to the drop-off and pick-up school timing. Pupils **MUST NOT** be dropped off before the school's gate opening time i.e. 7:00 a.m. in summer & 7:15 in winter. Similarly, pupils must be picked up from the school on time, if the campus administrator stays after her off-time to look after the child on campus, the transportation cost for that day will be borne by the parent.

04. HOME WORK DEFAULT:

If a pupil misses home work for 4 days in a month or 2 days in a week, one written warning will be issued. If the pupil doesn't attend the arranged free of cost remedial class, a special PTC with parents will be called. If the parents do not come for the special PTC, another note will be sent. If a pupil misses 7 home works in a term or 21 home works in an academic year (across all subjects), the pupil will **NOT** be promoted to the next grade and will be de-registered from the school roll at the end of the academic term.

Colleges. Any misbehavior or threat will lead to immediate deregistration of the pupil from the school, following an official inquiry by Dean of Students & Head of HR. This policy is mandatory to protect the safety and security of school staff so that they can focus on education without fear or loss of self-respect.

Pupils failing to achieve this result will be removed from the school roll (demotion to the previous grade is NOT an option) immediately after the result is announced. Pupils, who have been conditionally Promoted and miss more than 2 remedial classes will be removed from the school roll with immediate effect.

Middle (Grade 6-8):

OGA will be treated as formal assessment as it is included in the Promotion Assessment and will be re-checked by SMs the same way that ALA is re-checked.If a pupil is absent and absence is notified and genuine, the average of the remaining OGAs will be taken (no concept of best results). This determination of genuine absence has to be determined at the time of OGA and documented: it cannot be revisited at FPA result time. Pupils missing OGA cannot be excluded from the positions' race: However, those not appearing in FPA cannot be considered for a position. Newly enrolled pupils (Term 2) must have ALA 2, OGA 3, FPA available for position consideration in the final mark.

5. Policy on Pupil Conduct, Behavior & Discipline:

A) Behavior:

1. If there is a behavioral incident, there will be a verbal telephone conversation with the parents by the Campus Head, and a written note will be sent, which will be signed by the parents and returned the following day for the pupil to attend school.
2. On a 2nd such event, a Special PTC will be held (in the absence of the pupil) between Parents & Campus Head. If a 3rd event occurs, there will be a meeting called between the Campus Head, both parents, and the pupil to give a formal last warning letter issued through the Dean of Students, which will also be included in the Pupil Record.
3. If a 4th event occurs, the Campus Head will inform the Dean of Students to initiate de-registration and SLC.

B) Zero Tolerance leading to Expulsion:

1. If a pupil misbehaves with any member of staff, causes physical harm to another pupil, damages school property/school image, or a pupil is found involved in any immoral activity like cheating, endangering other pupils, smoking, bullying, cyber-bullying, or stalking, parents will be called for a Special PTC, which will be held between Campus Head & Dean (virtually) in the absence of the pupil.

One-period suspension will be in the Senior Mistress office or the Administrator's Office.
2. Depending on the nature of the issue, ONE of the two MANDATORY actions SHALL be taken:
 - a. The pupil will be suspended from school for 3 days, and suspension letter will be issued by the Campus Head & Dean and included in the pupil's record.
 - b. If the issue leads to expulsion, the Dean will seek internal approval and issue the expulsion letter and SLC, including it in the pupil's record.
3. An expelled pupil can never be re-registered at Silver Oaks School or College.

6. Parent Misbehavior – Zero Tolerance De-registration:

1. The school's administrative staff, parents, and teachers are partners in nurturing the child to become an effective global citizen and a decent human being.
2. The code of common civility and courtesy is the mandatory thread that maintains this partnership.
3. Any dissatisfaction, concern, or complaint by parents will always be heard and addressed by the school and management, so long as it is communicated within the norms of courtesy and acceptable behavior. If a parent threatens or shouts or abuses or bullies any member of staff, the partnership between the school and the parents for educating their child will come to an immediate stop. RESPECT is a mandatory pre-requisite for educating your children at Silver Oaks Schools &

08. CONDITIONAL PROMOTION POLICY & REVIEW PROTOCOL:

The result of conditionally promoted will be monitored throughout the year, with ongoing reviews after every assessment (ALA1, ALA2, and FPA) to check for variability and consistency. Additionally, the record of SPTCs and remedials will be reviewed in detail by the Dean. The Dean is the custodian of promotions and will make recommendations for conditional promotions to the Registrar after discussion with the respective principal. All cases of conditional promotion will be discussed with the Dean at least 2 weeks before the result declaration. If deviation is needed for some extenuating circumstances, the Principal will make a written note to the Dean. Based on the discussion and agreed decision, Dean will advise to Registrar on the status of Promotion/Conditional Promotion/No Promotion. The exceptional cases of conditional promotion will be discussed between the FPA (BMDA). This will enable a detailed review and decision-making based on the FPA result. The conditional promotion criteria will be reviewed every year in April & AEP before the FPA exams. A pupil will NEVER repeat a grade twice, so if a pupil fails a grade for the second time, the ONLY option is SLC. Conditional Promotion or repeating the grade can only be exercised ONCE.

Download the fee voucher via portal: 'parents.alhazentech.com'.

After the due date of the second month of default, a pupil with a two-month default will be de-registered from the school. After the 20th of the second month, de-registration is effective from the 21st of the same month, no third-month voucher issuance will occur, and the pupil will be ineligible to attend school.

If a parent seeks to re-register a child after de-registration: All outstanding dues, along with any applicable fines, must be cleared. Additionally, the registration and admission fee will be payable in full.

Board Classes: Pupils who have fallen behind on their fee will not be issued a roll number slip for the final board exam.

OVER 100 YEARS' OF HERITAGE THROUGH THE PRISM OF OAKIAN VALUES

Silver Oaks Schools & Colleges
www.silveroaks.edu.pk

COURAGE (1st Generation)

COURAGE, to forgive, to tolerate, to express gratitude, to be generous, to share & to lead.

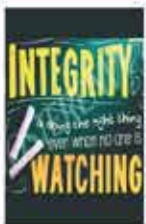

Khan Sahab Yusuf Ali, who was bestowed with the title "Khan Sahab" on January 1, 1919, got his first of many commendations for his contribution to the field of education for the academic year 1907-08 ending January 31, 1908. During the next two decades, he relentlessly pursued this cause with two notable events. First, he took it upon himself to use his influence and personal financial resources to expand education in the Toba Tek Singh district by first providing a rent-free house for primary education, then setting up a scholarship for exceptional students to pursue middle school and later establishing a school in every village of the district. Finally, he funded the First and Only Regional High School, located at Mauruspur, in 1921. Second, not content with this alone, in his capacity as Zaildar, he initiated a unique and bold step, for the first time ever in the British Ruled India, of making it mandatory for every child in the district to attend primary school. Courage, as a value, got embedded in 1924.

RESPECT (2nd Generation)

RESPECT, for time, for people, for the environment, for discipline, for hardwork, for perseverance and for yourself.

On March 1, 1929, Khan Sahab Yusuf Ali, was present at the ceremony where the title "Khan Sahab" was to be bestowed upon his son Nur Din, for his exceptional commitment to the community welfare in the fields of education, agriculture & law enforcement. As things happen at such ceremonies, there were three high chairs on stage for Khan Sahab Nur Din and two senior Viceroy of India representatives, for bestowing the award. Khan Sahab Nur Din, on seeing this, told the Government representatives that since his father was also sitting in the audience, he could simply not sit ahead of him. If the ceremony was to go ahead, his father must be shown the respect and honor of being on-stage for it was his upbringing and values that had resulted in K.S. Nur Din being considered for the honor at 44 years of age. A fourth chair was added. Respect, as a value, got embedded in 1929.

INTEGRITY (Every Generation)

INTEGRITY, demonstrated by honesty in our dealings, truthfulness of our words, delivery against our commitments, and "doing the right thing even if nobody is watching".

While the role of integrity has been a continuous thread across the five generations, it got firmly defined by a specific event. Mian Abdus Sattar (3rd Generation), aged 20, took it upon himself to "physically punish" a house servant for refusing to obey an order and demanding higher wages. K.S. Nur Din, on his return from Lyallpur, found the servant distraught but would not speak. Mian Abdus Sattar volunteered to narrate the event also showed remorse for his actions. On hearing this K.S. Nur Din gave two responses. He said, "It is shameful to use force on the poor who are helpless and reliant on the good manners of their masters for respect and to never do so again". Then he added, "However, you being forthcoming and your self-reflective identification of error in your personal judgement and behaviour is a virtue that will stand by you for the rest of your life". Integrity, as a value, got defined in 1931. Mian A. Sattar never forgot this value. He was celebrated for his integrity, honesty and righteousness and was honoured by naming a railway station, "Sattar Wala", in 1955.

OPTIMISM (2nd & 3rd Generations)

OPTIMISM, if your mind can conceive it & your heart can believe it, know you can achieve it.

"I am too positive to be doubtful, too optimistic to be fearful and too determined to be defeated" K.S. Nur Din (2nd Generation), in 1923, showed this by defying all odds to defeat Sir Syed Mehdi Shah, backed by the British Raj, to become Member Legislative Council (Punjab) from Toba Tek Singh, in 1923 elections, as he was committed to make a difference.

"A pessimist is one who makes difficulties of his opportunities and an optimist is one who makes opportunities of his difficulties" Abdul Ghafoor Sethi (3rd Generation), father of Nasrin Tariq (4th Generation Founder of Silver Oaks School) was born in Sagri village, about 40 Kms from Pindi, in very poor circumstances and not knowing when and where his next meal will come from. Not educated but determined to make a go of life, he went on to become a very successful businessman, married a doctor, and to ensure that illiteracy is not suffered by the next generations, donated his personal land to set up the First Girls School in Sagri, in 1972, which is now a college. Optimism, as a virtue, started making an impact on the family since 1923 and has never stopped since.

CREATIVITY (3rd & 4th Generations)

CREATIVITY, imagine what you desire, will what you imagine; & create what you will.

CREATIVITY, imagine what you desire, will what you imagine; & create what you will. History of the name "Silver Oaks School": Mian Abdus Sattar (3rd Generation) & father-in-law Nasrin Tariq (4th Generation founder of Silver Oaks School), constructed the building at 33-Civil Lines in 1959-60, and named it "Aashiana". It became a boarding home for students, excelling at Mauruspur High School, to move to Rawalpindi for higher education. They were provided shelter and food in this building while they got educated. A Silver Oak tree was planted at the gate of this building. In 1992, at the same building that had been a house of learning since 1960, when Nasrin Tariq decided to start an institution for foundation building of children with the singular intent of educating and as "our own" while focusing on developing enlightened leaders of tomorrow, naming the school was the first task. While trends suggested fancy names, her focus was to give a name that reflected the virtues and values of the institution. Observing the tree (in picture), she realised that Silver Oak Trees, when nourished with proper care and attention at the foundation building stage, grow tall, straight and strong - hence the name "Silver Oaks School".
